Incoming Rollover Request

If you have retirement savings in a previous employer's retirement plan or an Individual Retirement Account (IRA), you may be able to roll over those savings into your current employer's retirement plan with American Funds. Follow these steps to consolidate your retirement savings:

1. Talk to your current employer's retirement plan contact to make sure that you are eligible to roll money into the plan.
2. Contact the financial institution where the money is currently held and ask what paperwork or actions are required to roll your savings to your current employer's retirement plan.
3. Complete the enclosed *Incoming Rollover Request* form. Refer to a recent account statement for information about the account where the money is currently invested.
4. Give the completed *Incoming Rollover Request* form, along with any other requested documentation, to your current employer's retirement plan contact. They will need to ensure that the form is signed by an authorized plan representative and then sent to American Funds. Make sure you obtain a copy of the signed form.
5. Complete the prior provider's paperwork and refer to the information in Section 2-B of this form. Your prior provider may also require a copy of this completed form, which can serve as a letter of acceptance. The custodial acceptance section is at the bottom of Section 4.
6. Once we receive both the completed *Incoming Rollover Request* form and the rollover check (including required information for Roth and/or voluntary after-tax contributions, if applicable), the funds will be invested into your retirement plan account. **Assets received will be invested in accordance with the investment instructions on file or the plan's default investment option if you have not made your own investment selection.**

Participant: Once this form is signed by your employer, keep a copy and attach it to any additional paperwork that may be required by the financial institution holding the assets you want sent to American Funds. If you have questions about this form, call us at (800) 421-4120.
